

# 2035 Sanger General Plan Update & Active Transportation Workshop

## The City of Sanger is updating its policies on future growth and development and wants to hear from you!

Provide your thoughts on key issues:

- Where should the City grow?
- Where should future parks be located?
- What types of commercial and/or industrial development should the City try to attract?
- What do you think should be done to improve downtown?
- What can be done to make the city more friendly to walking and bicycling?
- And more!

Participate in fun activities with your neighbors to provide comments and ideas.

## Tuesday, May 16

### Walking Assessment 5-6 PM

*Join the team on a walking tour of local streets to assess walking and bicycling conditions*

### Design Workshop 6-8 PM

*A chance to provide input on how to improve quality of life in Sanger*
