

DEAR PROPERTY OWNER/RESIDENT:

The *City of Sanger Graffiti Abatement* personnel were in your neighborhood and have noticed graffiti vandalism on your property.

City staff would like to assist you in painting over or removing the graffiti on your property. However, your permission is needed.

If you are interested, please check the "Yes" boxes on the Request and Release form and sign to indicate your approval; otherwise check the "No" box.

Please read the form carefully, and be advised that staff will make the best attempt to match the existing paint color(s), but field operations limit exact match. Although we make every effort to match the paint color, we are not able to make any guarantees. Therefore, if you prefer, you have the option of purchasing the paint and we will assist in painting the graffiti.

If you are concerned about the service you are about to receive, either fill the comment section or call us at (559) 876-6300 extension 1300.

Thank you!

REQUEST AND RELEASE FORM

- YES! Please abate the graffiti on my property. I understand that the abatement may include the use of any or all of the following: painting, pressure washing or window cleaning. I warrant that I am the owner and or person responsible for the maintenance of this property.
- YES! In consideration of the removal of graffiti on my property by employees/agents and volunteers of the City of Sanger I agree to release, indemnify and hold harmless, the City of Sanger, its officers, officials, agents, employees and volunteers against any claims, costs, damages, demands, liability including bodily injury and/or property damage arising directly or indirectly from the activities of graffiti removal.
