BUILDING PERMIT EXTENSION REQUEST

This is a request by the owner, contractor or authorized agent for an extension of a building permit or application as allowed under Section 105.5 Amended, of the California Building Code and California Residential Code.

Job Site Address: _____

Building Permit #: _____

Type of Project: _____

I would like to request a **ONE TIME ONLY** 180 day extension for the following reason(s): _____

Expiration Date: _____

Last Approved Inspection Date: _____

Circle one: Property Owner / Contractor / Agent

Mailing Address: _____

Phone Number: _____

Signature: _____ **Date:** _____

Please complete this form and return it to our department before the 180-day expiration date, otherwise additional permit fees may apply. It will be necessary to start the permit over if it exceeds 360 days from the date of issuance or date of last valid inspection.

=====

OFFICE USE ONLY

A one-time permit extension granting an extension of the permit application to:

Date

One inspection must be successfully completed and passed before this date in order for this permit to remain valid. No further extensions may be granted and you will need to reapply for the permit again at current fees and codes.

Circle: Approved / Denied Date: _____

Building Official Signature Required: _____

Denial Reason: _____
