The City of Sanger needs citizens who care about their community and are motivated to make our city safe.

The time spent volunteering for our community will give individuals excellent opportunities to gain experience for future employment, satisfaction to know they are providing a much-needed service, and pride in their community.

Volunteers will improve community relations by providing the public with various services the police department offers. Volunteers will be encouraged to utilize and develop their existing skills, talents and interests, while allowing citizens to gain from these abilities.
