RESOLUTION ADJUSTING AMBULANCE FEES AND SERVICE CHARGES FOR
EMERGENCY MEDICAL SERVICES AND ADOPTING BILLING PROCEDURES

WHEREAS, the City of Sanger, pursuant to the Emergency Medical Services Agreement, hereinafter "EMS Agreement," between the City of Sanger and the County of Fresno, has established and is providing Ambulance and Emergency Medical Services within the City of Sanger and County Ambulance Zone I, as described in Exhibit "A" of the proposed Executive Order attached hereto and incorporated herein by reference: and

WHEREAS, the rates and charges for Ambulance and Emergency Medical Services provided by City will hereafter be set consistent with the procedures set forth in Sanger City Code, Section 2-241 through 2-247.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Sanger, California, as follows:

1. That the Sanger Fire Department shall provide ambulance and emergency medical service within the City of Sanger and County Zone I consistent with the EMS Agreement.
2. That the Sanger Fire Department shall respond to calls for emergency medical and ambulance services within the boundaries described above. The City ambulance shall deliver emergency cases to regularly organized emergency hospitals in the Sanger-Fresno area or to such private medical facilities as may be required for the proper care of the patient. Such private facilities shall be held to include private hospitals or doctors' offices.
3. That the rates be charged for ambulance and emergency medical services shall be as set forth in the proposed executive order.
4. That the Sanger Fire Department shall maintain an agreement with the County of Fresno to provide transport services. The County agrees to reimburse the rural ambulance contractors (Sanger Fire Department) for appropriate non-transports (dry runs) and uncollectible transports. Sanger Fire Department will follow procedures as outlined in EMS Policy 205.
5. That when a private individual requests an ambulance for himself or members of his household and service is declined, the cancelled call charge shall be billed to the declining party. If treatment is given to the patient, the patient shall be billed for treatment performed on the scene.

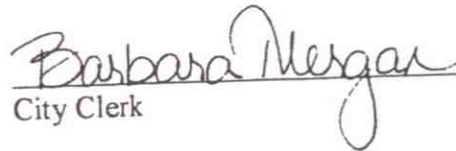

6. That when a private individual in good faith summons an ambulance in an effort to aid another for whom he is not responsible and who reasonably appears to be ill or injured but does not in fact require such service, the requesting person shall not be charged.
