Toyota and Posey Consider Sanger Rotary Park

Sanger Rotary Park has been selected as a finalist in the Junior Giants Baseball Field Makeover with Toyota and San Francisco Giant's All-Star Catcher, Buster Posey. The winner will receive \$40,000 in field upgrades.

The winner is decided on the number of votes between now and September 3, 2012. The website to vote is https://www.facebook.com/toyotafanzone/app_379069775480957; votes are limited to one per person **per day**. A Facebook account is not needed to vote. Sanger Rotary Park is used throughout the year by the Sanger Junior Giants League, school district, Little League, and Cal Ripken. The field is over utilized and in need of basic repairs.

"This is such an exciting opportunity for the kids and our community," stated City of Sanger Mayor, Joshua Mitchell. "The Sanger Unified School District, along with the assistance of Sanger Rotary Club, Little League, and the City keep the field looking nice, but this will really enhance their efforts."

The Junior Giants Baseball is a free, non-competitive baseball league for all youth between the ages of 5 and 18. In 1994, the organization sought a program that would give at-risk kids a meaningful partnership with community-based organizations and provide an alternative to drugs, gangs and crime. The Junior Giants Program was established and now serves 20,000 children in 85 leagues across California and into Nevada and Oregon. The organization provides all of the uniforms, equipment, and training necessary to run a league as well as tickets to select Giants games so the youth can experience a Major League Baseball game.
