Rebeca P. Ramirez, City Clerk

In compliance with the Americans with Disabilities Act (ADA), if you need special assistance to participate in this meeting, please contact the office of the City Clerk at 559-876-6300, Ext 1350. Notification 48 hours prior to a meeting will enable the City to make reasonable arrangements to ensure accessibility to that meeting. [28 CFR 35.104 ADA Title II].

# CITY OF SANGER

## REPORT TO THE CITIZEN'S OVERSIGHT COMMITTEE

---

**To:** Chairperson and Committee Members  
**From:** Greg Garner, Police Chief  
**Subject:** Ratification of Purchase of 10 Kenwood NX5200K2 Police radios  
**Attachments:** Exhibit, "A," Vendor quotes (3)

**CONFLICT OF INTEREST:**

None known.

**RECOMMENDATION:**

That the Citizens Oversight Committee:

- 1) Ratify the purchase of 10 new Police Radios to outfit new hires, and replace some of our aging handheld radios.
- 2) Ratify the expenditure of \$ 11,116.71 from Measure "S" to complete this project.

**EXECUTIVE SUMMARY:**

Our police officers rely on handheld radios to communicate with each other and dispatch. Our current Kenwood Radios are no longer being manufactured and have been replaced with the NX5200K2. This radio is a Public Safety Grade radio that meets the current and future needs of the Department. With our new hires, new positions, and progress we need to purchase more radios to keep pace with growth.

**BACKGROUND:**

The Sanger Police Dept needs to purchase more radios to keep pace with technology and hiring. We have not purchased radios since 2017. In addition, the DOJ now requires all Police Transmissions to be encrypted. With the impending new dispatch center, we need to ensure our radios can meet that

standard. These radios are P25 Capable so they can be upgraded when the time comes to meet that DOJ AES encryption (advanced encryption standard).

**REASON FOR RECOMMENDATION:**

We have selected Cooks Communications to supply the radios. They have the most competitive price, they work with all local law enforcement agencies, can program and maintain them as they have our programming files, and have them available. They have 10 in stock and with supply chain issues we wanted to secure the radios as soon as possible so the purchase was made. Sanger PD just hired 4 officers and will be hiring at least 4 more in the coming months so it is critical that we secured the equipment so we could outfit our new officers immediately.

**FISCAL IMPACT**

The purchase price of these items and related accessories is \$11,116.71. If approved, the funds used to implement this project will come from the Measure "S" Fund. Should this purchase ratification not be approved, the cost will be absorbed by savings from the FY21/22 budget.
