

CITY OF SANGER
EMERGENCY SERVICES DIRECTOR EXECUTIVE ORDER 20-9
RELATING TO FURTHER ACTION FOR COUNTIES ON THE STATE
MONITORING LIST INCLUDING RESTAURANTS, WINERIES AND TASTING
ROOMS IN THE CITY OF SANGER

As the Director of Emergency Services pursuant to Sanger City Code Chapter 26, Article I, and by the powers vested in me by Sanger City Code Section 26-6, I hereby issue the following orders, to be effective immediately and for so long as the City's declared emergency is in effect related to COVID-19:

1. **Restaurant Definition:** Any establishment that sells food for consumption on-premises.
Winery Definition: A building or property that produces wine, or a business involved in the production of wine
Tasting Room Definition: A facility or portion of a facility supporting a rural craft brewery, distillery, or winery where the public may sample and purchase products produced by the facility or other facilities on display.
2. On July 1, 2020, the Governor for the State of California issued further action for businesses for Counties on the County Monitoring List, including Fresno County. The purpose of the state mandate is to reduce the risk of COVID-19 risk and exposure. The purpose of this local order is to ensure that the State mandate is followed in the City of Sanger. Given current rates of disease transmission in some counties and the need to reduce non-essential gatherings where mixing and disease spread occur, the Governor for the State of California is requiring to immediately close the uses below within counties which have been on the list for 3 days or greater; Fresno County meets that threshold. Sanger is in Fresno County, and therefore the following uses are subject to closure for a minimum of three weeks in accordance with the State mandate, including:
 - Indoor Dine-in restaurants
 - Indoor Wineries and Tasting Rooms
 - Indoor Family Entertainment Centers
 - Indoor Movie Theaters
 - Indoor Zoos and Museums
 - Indoor Cardrooms
3. While bars with food service were allowed to remain open under Executive Order 20-2b, these bars are now required to close based on the elimination of indoor food dining pursuant to this order until further notice.
4. The Order shall be subject to amendment or repeal at any time, and shall not be deemed to confer any contractual obligations, property rights, or assume any City liability.
5. If any provision of this Order or its application to any person or circumstance is held to be invalid, then the remainder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this Order are severable.
6. This Order shall be immediately translated into Spanish, and accommodations made for all disabled persons to read its contents; it shall also be distributed to all local media and made prominently available on the City's website.
7. Sanger Police Department, Sanger Code Enforcement Department, and other law enforcement authorities cooperating with the City of Sanger, are hereby authorized and charged, to the extent provided by law, with the responsibility of enforcing this regulation. Any violations of this regulations shall be punished as provided in Sanger City Code Section 1-7.

THEREFORE, I, Tim Chapa, as Director of Emergency Services, to help mitigate the spread of COVID-19 and the financial effects related to COVID-19, order that Restaurants, Wineries and Tasting Rooms be closed subject to the above conditions and effective immediately within the City of Sanger.

DATE: 7/2/20

Tim Chapa, City Manager/Director of Emergency Services

ATTEST: 

Rebeca Padron, City Clerk/Deputy Personnel Officer
